Introductions

- Speakers
- Organizers
- Y'all

Logistics

- Please wear your badge at all times
- Everyone must use the microphones
- There are no assigned seats – feel free to move around
- The restrooms are right out the door and on the other side of the lobby
- Breakfast and lunch will be served next door in the Azul Ultra Lounge
- Dinner is on your own but Garduno's Restaurant and Cantina is next door
- Garduno's will have a special buffet at special prices tonight and Sunday night
- You have a list of area restaurants in your workshop bag
- Be sure to fill out your evaluation forms and turn them in before you leave
- Resources tab on www.smsweb.com – available until early April only

Schedule

- Printed copy in your workshop bag
- Online at www.smsweb.com
- We will start on time every time
- We're asking speakers to stick to the timeline like glue
- The schedule is ambitious but we're all young and strong

Events

- Field trip to David Doctor's house here in Las Cruces
 - *Map and directions are in your workshop bag*
 - *The event starts at 7:00pm at David's house – it will take you about 20 minutes to get there*
 - *You may park anywhere along his street*
 - *We need drivers!! If you have a car please fill it up with your new friends!!*
- Saturday night party
 - *Admission is based on your badge – your guests need badges, too*
 - *Food is free. Drinks aren't.*

Goals

- Learn the basics of astronomical spectroscopy and produce a processed spectra
- Improve your knowledge of astronomical spectroscopy
- Grow the community
